### 5. Plan of supervision

Per week, four hours should be available (.1 fte) for support and guidance of the PhD candidate. The daily supervisor is not employed at the OU.

The PhD supervisor (professor) is obliged to provide supervision and coaching of the PhD candidate for (on average) one hour per week. At least once a month the PhD supervisor and PhD candidate discuss the progress and in a work meeting. A daily supervisor (four hours per week) is appointed in agreement with the PhD supervisor.

### 6. Adjustment of the program of training and support

Adjustment of the program of education and supervision can take place every year. These adjustments will be presented in an appendix to this document and have to be approved by all parties.
