- CELSTEC: Centre for Learning Sciences and Technologies
- Learning Networks programme
Lifelong learning

All activities that people undertake during their lives in order to develop knowledge, skills and competences, encouraged by personal, social or work related motives

- formal learning
- non-formal learning
- informal learning
Knowledge society

- Continuous professional development: develop and maintain competences
- Key competences
- Informal and non formal learning
Social learning

- Learning from and with others
- Online learning
Profile

- Online profile
- History of learning activities
- Evidence for competences attained
- Showcase
Trailer e-Portfolio

- Awareness lifelong learning
- Informal learning
- Manage learning activities
- Manage competences
